Greetings!

Thank you for your inquiry.

We are pleased to enclose the following quotation for the Electric Bicycle named as follows.

TAILG MARKETING has been in business here in the Philippines since 2010 and is an authorized distributor of NWOW International Trading Corp., as NWOW is one of the most well-known importer and manufacturer of electric vehicles in the country. NWOW products are distributed in the market nationwide, including dealers and sister branches, and expanding into global markets such as China, Sri Lanka, and France.

Our product's goal is to help not only electric vehicle owners reduce their costs but also make our country more ecologically conscious. Our electric vehicles are economical and environmentally friendly. Discover an extraordinary power that you can only experience with NWOW electric vehicles.
